

NEXT GENERATION EU

A Southern-Northern Dialogue

Introduction

With the publication of the *“Next Generation EU: A Southern-Northern dialogue”*, a European Liberal Forum publication in cooperation with the Fondazione Luigi Einaudi, this event aims to disseminate the findings of the book to a broader audience, offline and online. Particularly, authors from Portugal, Italy, the Netherlands, and Poland will discuss their findings as highlighted in the chapters of the book. Thus, the roundtable will be an important occasion for all the authors belonging to different EU countries to compare their respective findings within a comparative approach.
